   **D. General Managers Report**

   Barbara Hays, Operations Manager, read Dennis Solensky’s General Manager report, as follows:

   - June 18th was the BFT Employee Association BBQ. Assn members cooked hamburgers and sausage dogs and provided a variety of ice cream. For a small fee employees had the opportunity to drop dunk-tank volunteers provided they hit the target. Board member, Norma Nelson, convinced a number of co-workers to dunk her and she received a prize for that.
   - Shortly after the BBQ we held the annual BFT Roadeo, and had the best Roadeo attendance ever. Over 100 people attended and there were 30 contestants between Coach and DAR drivers. Gabe Beliz won the title for Coach and Del Long for DAR. There was a separate class for new drivers and those who had not competed for a long time. The Employee Association served breakfast. There were door prizes and also an obstacle course. Dennis thinks everyone had a good time and are looking forward to next year’s Roadeo.
   - Dennis said he and Christy Watts met with KONA Radio about Dump the Pump Day. Customer Service reps handed out water that day and talked to customers about the advantages of using the bus.
• BFT is dealing with a few labor issues and we are enthusiastic about working with the new contact for Teamsters, Russell Shjerven. We do hope he will stay a while as he is working well with us.
• Several staff members have been interviewing for open positions.
• The WSTA meeting in Yakima was very enlightening; Dennis met many peers and made several good connections during that event.
• Dennis had a conference call with Lobbyist, Dale Learn, and is looking forward to his visit and talking about available funding sources for grants.
• He attended a Chamber lunch where mayors spoke; he met the mayors from the different communities and did some good networking.

Dennis thanked Barb Hays for giving his report tonight. He pointed out again that the Roadeo was tremendous, and that he just can’t say enough about the way staff made it happen and how much community support was there. He appreciates everyone’s hard work.

Matt Watkins noted that Mr. Solensky is trying to move his home and family in its entirety to the Tri-Cities and he asked Dennis how that process is going? Dennis stated that his wife has done a great job preparing for the move; he flew to Erie this morning and he and his wife are packing. He will fly out permanently on Monday. He thinks everything is going great. He appreciates everyone’s patience with him not being at the Board meeting; this is the first Board meeting he has missed in 20-some years. His family is having a ball being in the Tri-Cities. He thanked staff members whose daughters are taking care of his children. He and his wife look forward to getting back and establishing their permanent roots in the Tri-Cities next week.

13. **Board Member Comments**

TERRY CHRISTENSEN – No report.

RICHARD BLOOM – Expressed thanks to Kathy McMullen for responding to a constituent’s service concerns.

MATT WATKINS – Reported on a mayors’ lunch he attended last weekend with the head of Energy Northwest. Matt commented to the guest that we actually do notice the refueling as being a significant downward bump in sales tax for transit in the off years, and during refueling years it is an asterisked item pointing out that this not the norm. Their guest said they are on a two-year cycle and they strive not to spend anything on refueling except every other year. He said that last year’s refueling was the largest expense ever and they expect next year’s refueling to be the same.

BOB OLSON – Reported on a few local street projects.

STEVE BECKEN – Reported that Prosser is making history; the first legal marijuana retail store opened this week.

LISA STADE – Benton City enjoyed a great 4th of July; events were well attended.

NORMA NELSON – No report.
