B. Employer Support of the Guard and Reserve- Patriot Award: Josh Rosas

Gloria Boyce, General Manager, introduced Chairman of the East Central Division of the Washington State Employer Support of the Guard and Reserve (ESGR), James “Jim” Rabideau and Co-Chair, Judy West.

Jim Rabideau provided the Board, and those in attendance, an overview of the history and purpose of ESGR. The Patriot Award reflects the efforts made to support citizen warriors through a wide-range of measures including flexible schedules, time off prior to and after deployment, caring for families, and granting leaves of absence if needed. Jim Rabideau then invited Co-Chair, Judy West to offer remarks and present the award to recipient, Josh Rosas.

Judy West recognized Ben Franklin Transit for their commitment to those serving in the military, and their families. She stated special thanks should be given to the department and the guardsman’s co-workers as his time away directly affects their workload. The department’s willingness to step in and fill the void is all to ensure our country remains in a state of readiness. Judy West then invited Michael Lohmann, Mechanic II and nominator, and Josh Rosas, Fleet Supervisor and recipient, to accept The Patriot Award.

Michael Lohmann, Mechanic II, thanked his supervisor, Josh Rosas, for his commitment to accommodate his schedule, even on short notice. He acknowledged that his guard responsibilities are hard on all: his department, and BFT. Michael noted that Josh Rosas’ support is instigated at the top of the organization. He acknowledged Gloria Boyce’s and the management’s support of the military and his guard duties.

Josh Rosas received The Patriot Award and thanked Michael Lohmann for his service, stating the department’s flexibility pales in comparison to the sacrifices made by those serving in our military.

CHAIRMAN WATKINS thanked all for their service as well as the information and insight provided.

9. Action Items

A. Resolution 20-2017 - Extension of the TC Transportation Services, LLC Contracted Services contract and The ARC of Tri-Cities contract for ADA Eligible Services

Tony Kalmbach stated Staff is recommending the extension of contracted services contracts beyond the term limit of five years due to the implementation of the Comprehensive Service Plan (CSP). Extending contracted services through August 31, 2018, allows system changes to be put into place prior to soliciting proposals for services. As staff continues to implement service recommendations, contracted services will remain fluid as final decisions are made about how to leverage contracted services in the best way in which to serve our community.
CHAIRMAN WATKINS called for a motion to Resolution 20-2017.

ACTION: STEVE BECKEN made and RICHARD BLOOM seconded a motion to approve Resolution 20-2017 - Extension of the TC Transportation Services, LLC Contracted Services contract and The ARC of Tri-Cities contract for ADA Eligible Services. MOTION CARRIED UNANIMOUSLY.

Tony Kalmbach stated that Ben Franklin Transit (BFT) submits the Transit Development Plan (TDP) annually to meet WSDOT guidelines. To meet these guidelines, the TDP includes BFT’s goals, accomplishments, a program of projects, financial projections and inventories. The TDP works in conjunction with Benton Franklin Council of Government’s (BFCG) Transportation Improvement Program (TIP) and the funding presented in the TDP is displayed in the TIP. This submittal begins the grant funding cycle for federal and state funds and identifies projects for BFCG’s 2017 capital budget process. The goals included in the TDP represent the objectives outline in BFT’s strategic plan.

The 2017 - 2022 Transit Development Plan and the proposed Program of Projects will be released to the public for comment for 30 days to meet federal and state grant funding compliance.

Tony Kalmbach continued by affirming Staff recommends the Board release the Draft 2017 -2022 Transit Development Plan for the required 30-day Public Review and Public Hearing. Once the review process is complete, staff will bring all comments from that process to the Board for consideration.
