Attachment A: CAN Recommendation 2025-03 – Public Comment in BFT Board Meeting

The BFT Citizen Advisory Network (CAN) is tasked in CAN Standing Rules – Section 1.1.a to assist BFT by serving as an advisory body to BFT Management and to the BFT Board of Directors. In that capacity the following recommendation is offered.

CAN Recommendation 2025-03 October 15, 2025 Public Comment in Board Meetings after BFT Presentation

Issue:

Public Comments during BFT Board Meetings generally have been required to be made at the beginning of the Board Meeting rather than after an Agenda Item has been presented by BFT Staff to the Board.

The Board has in the past has generously opened up Agenda Items for Public Comments after some Items are presented to the Board, but it is normally not the practice to do so unless those items are associated with an ongoing Public Comment outreach period.

Recommendation:

The Citizen Advisory Network recommends that Public Comment be allowed subsequent to BFT's Staff Presentation to the Board, but prior to Board voting on an issue, for the following:

- a. Schedule changes
- b. Fare or rate changes
- c. Fare collection methods
- d. Route modifications
- e. Capital expense approval or modifications that are in excess of +-\$100K
- f. Operational changes modifications that are in excess of +-\$100K

The Citizen Advisory Network recommends that for those issues listed above BFT Staff provide more detailed information in the Board Package that is posted to the BFT website prior to the Board Meeting.

Doing so would allow for review and comment by the public prior to a Board Meeting.
